

ENGLISH PRACTICE SESSIONS

*In these career counselling sessions we will practice our English skills while learning how to communicate effectively in the workplace. The sessions focus on **functional** English. Instead of perfect grammar, we will practice expressing ourselves and being understood.*

Recommended for levels B1 and above.

Each session includes:

- A workplace communication skill
- Useful vocab and phrases
- Practice activities

Time: 17:30 - 19:00

Cost: Free

Date: Scheduled based on group

Note: Session will only run if enough people sign-up
